

South Tyrol weather bulletin Sunday, 18.10.2026

Forecast for today, Sunday 18.10.2026

Lots of clouds, a bit of sun

Reliability: 80 %

Forecast for today

A low-pressure system centred over France is also having a marginal effect on the weather in South Tyrol. The day will be partly to heavily overcast. Although a few scattered raindrops are possible, it will mostly remain dry. Maximum temperatures will fall slightly, ranging from 14° to 19°.

Outlook for the next days

Tuesday 20.10.2026

6° / 11° | 13° / 18°

On Tuesday, cloud cover will increase. During the day, there will be at most a few scattered showers; overnight, rainfall will become more frequent, starting in the south.

Wednesday 21.10.2026

6° / 12° | 11° / 17°

Wednesday will be overcast with occasional rain.

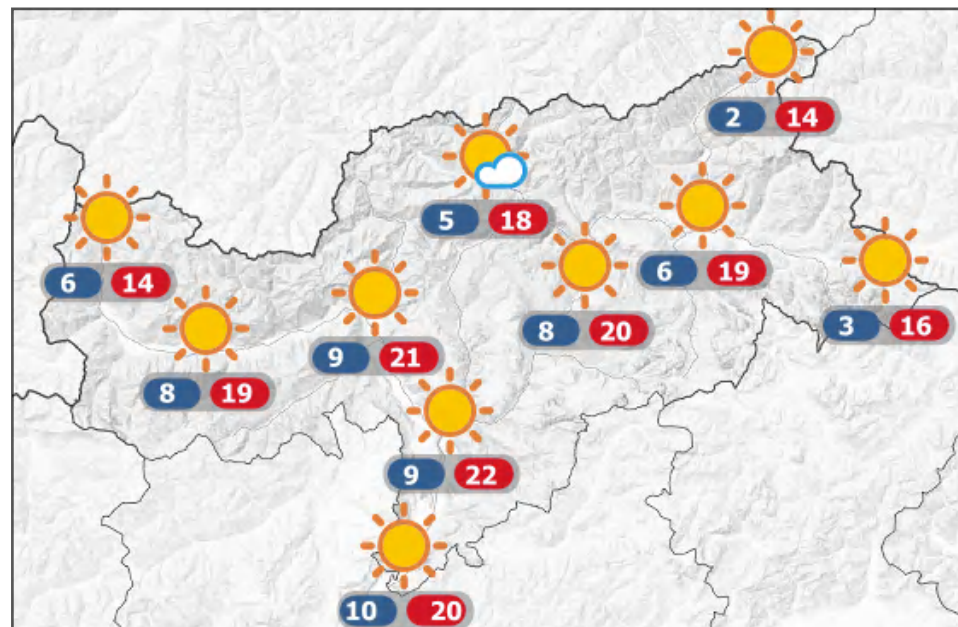

Thursday 22.10.2026

0° / 7° | 10° / 18°

Thursday will see an improvement as northerly föhn winds develop. The rain will clear quickly eastwards in the morning, with sunshine spreading from the Vinschgau valley.

Forecast for tomorrow, Monday 19.10.2026

Very sunny

Reliability: 80 %

Forecast for tomorrow

A temporary ridge of high pressure will bring settled autumn weather. Any local low cloud will clear quickly during the morning, leaving plenty of sunshine across the region. A little high cloud will drift across at times. After a chilly start, afternoon temperatures will reach 18° to 22°.
